Rolling through Fall, Winter is near!

Notes from the President...

Hello fellow Aberdeen Driftbuster Snowmobile Club Members!

Hoping your fall season is moving along nicely. At our home, the camper has been put away for the season and the snowmobile trailer is sitting in the camper's place waiting for the winter season to start.

The club had a float in the Gypsy Day Parade, and I would like to thank all of those who took the time to help me get the float put together and to those that helped walk the parade route. The weather was perfect, and I even made the whole parade route without needing oxygen or better yet an ambulance.

We will start putting in the trail signage this month and we can look forward to a new section of the trail that will again take us from Westport to Columbia. Thank you, club members, for stepping up to bring this portion of the trail back again.

Until next month...

Jim Friedt

Trail Addition!!

Diesel Tank installation
at **Karen's Bar & Grill** in
Columbia, SD.

Scott Malsom , AJ Jensen and Sunny Pence teamed up to load and move the diesel tank from Kenny Ham's place to Karen's Bar in Columbia. Scott and AJ hauled the tank over to Columbia for installation at Karen's Bar & Grill. Thank you Tyler and Karen Kampa, for allowing the Driftbusters to place the diesel tank at their location so the groomer can make the trip to Columbia!!
