## Aberdeen Driftbuster Snowmobile Club Newsletter

October 2023

**Rolling into Fall, Winter is near!**

### Notes from the President...

Hello fellow Aberdeen Driftbuster Snowmobile Club Members!

With the winter season fast approaching us, it's time to start getting those sleds out of storage and get them all polished up and ready to go. I can't help and wonder if we could possibly be blessed with the same or even more snow than last winter, minus the cold, one can only hope for anyways. We were finally able to have radar runs, club rides, and being able to enjoy the sport that we all love.

We just completed our annual campout at Wylie Park and the weather was terrific. Great food was had, some totties were drunk, some go-carts were ridden, and on Saturday night, as we were sitting around the campfire, we got a perfect view of the international space station flying directly over us, which is a cool sight to see. It was great to see familiar and new faces join this year's Aberdeen Driftbuster Snowmobile Club Campout. Wishing everyone a great fall season, and until next month!

Jim Friedt

### **GYPSY DAY PARADE**

Saturday, Oct. 7 | Starts at 9  
a.m.

Aberdeen Driftbuster Snowmobile Club has a float entered in the Gypsy Day Parade. We are looking for volunteers to help assemble the float. **If you are able to help with the float or would like to participate contact Jim Friedt 290-7603**

Each year, the Driftbusters has a float in the Gypsy Day Parade, and we need someone who would like to take over the float and walk the parade route to throw candy out. Even if you could walk part of the route, we can plan out a section for everyone. If anyone is interested in getting together a trailer that we can load some sleds. The parade is fast approaching!
